10 am – 12 pm – Trail Work

Give back to the park by joining a work crew to help rehabilitate a trail that has been damaged by heavy use. Learn about how trails are built and maintained. Tools and gloves provided by the park; bring your own sturdy shoes, sunscreen, and water.

We will walk through the park as we discuss and practice hands-on techniques to reduce impact on nature and stay safe in the outdoors.

Enjoy the best that the park has to offer in this season on this hike with a knowledgeable guide. See the Casco Bay, osprey nesting site Googins Island, and the beautiful forest on our wheelchair-accessible path.
